

UNIVERSITY SUPPORT

For those students who are planning to study at university in the UK, LEC's University Support is an invaluable opportunity to help you make one of the most important decisions you will ever make.

We provide careers advice, support you to select the right degree and university, and then help you through each stage of the application process.

Please read the information below carefully before you decide to apply for LEC's University Support. To be accepted you must meet the following criteria:

- Minimum age: 18 years
- Minimum study period: 4 weeks / 80% attendance rate

You will be required to:

- Attend all University Support workshops
- Follow the advice that we give to you, we will give you as much support as possible
- Attend any interviews that you may be requested for by LEC

LEC does not take responsibility for the outcome of university applications, it is up to you to meet the required criteria.

If you decide not to accept a university offer then LEC holds no responsibility for your decision.
